

DESIGNER / MEDIA DESIGNER (M/F)

Strategic investor relations and communication consultancy is the core competency of cometis.

We have specialized in Investor Relations and Financial Media Relations in Germany and Europe since 2000. Our team of around 25 professionals with the experience from more than 500 capital market projects makes cometis one of the leading consultancies in its field.

Are you ready for a professional reorientation?

We are looking for a designer / media designer (m / f) to support our team.

Your tasks:

- » **Creative responsibility** for the graphic implementation of business and quarterly reports, company presentations, product development and book design
- » **Direct cooperation and support** for the consulting team, e.g. by conceptual development and visual implementation of print and digital media
- » Production preparation and **production support** for print media
- » **Independent participation** in the production of typesetting for own book publications, brochures, cover and envelope design and graphic creation

Your profile:

- » Design studies or successfully completed professional training in the field of media design and **initial practical experience** working for an advertising agency, a publishing house or a printing company
- » **Creativity and ability** to develop new ideas and layouts for clients
- » **Expert in the use of the software programs** Adobe InDesign, Photoshop and Illustrator as well as electronic media (MS Office, especially PowerPoint) and interest in new software developments
- » **Organizational skills**, excellent time management and ability to set priorities
- » Careful, accurate and structured work, as well as a high degree of **commitment, performance and willingness to learn**
- » You have fun at work

Our offer:

- » Personal **development perspective** within cometis AG
- » cometis as an established brand in the field of financial communications
- » Young, dynamic and experienced team in an **open and fair company culture**

If you think our offer overlaps with what you bring to the table in a way we can all benefit from and develop together, then we would like to meet you.

We look forward to your application to bewerbung@cometis.de!

Please send us your relevant application documents, including work samples and salary expectations.
